Transfer Credit Guidelines (See the online catalog for the complete Transfer Credit Policy)

*The transfer course equivalencies listed below are for Otterbein University semester courses beginning Fall Semester 2011.
*Only courses with a grade of C- or better will transfer.
*A maximum of 64 semester hours may be transferred from two year institutions.
*OTTR GEN = general elective transfer credit
*OTTR SPEC = special elective transfer credit and is limited to a total of 8 semester hours
*MATH FNDTN = this course will satisfy the General Education Mathematical Foundations requirement for majors which do not require a specific Math course. This course will not satisfy any specific MATH course requirement and will not serve as a prerequisite for any course.
*ASC 0900 does not apply towards hours needed for graduation. Transfer credit = 0 hours.
*Credit hours for coursework completed at an institution following a quarter calendar will be converted to semester hours. Quarter hours x 0.667 = Semester hours.
