

Networking at the Gallery (Sciences)

Thursday, May 7, 6:00 pm
Roush Hall, Fisher Gallery

It's a tough world facing the seniors as they prepare to graduate and enter the "real world" during this commencement season. Remember when you were in their shoes? Wouldn't it have been nice to have someone who could show you the ropes a bit and give you a few words of advice? This is your chance to *be there* for the newest batch of alumni joining the Otterbein alumni family.

At the "Networking at the Gallery" events alumni teach students how to network in a real-world, yet relaxed setting. **We need alumni who work in the Science field for the next Networking at the Gallery event** to talk with students interested in working in the sciences. If you can help or would like more information, contact Becky Fickel Smith '81 at rsmith@otterbein.edu.
