

Dear Otterbein Equine Alumni,

I do not know if you have heard, but our 23 year old relationship with Success Acres is coming to a close. In December they will no longer be opened for business. This is a harsh reality for all of us who have spent so many hours out at the farm and have had amazing opportunities to trim mares' feet for the first time, to see foals born first hand, to witness semen collection and artificial insemination and aid in halter breaking. We all have unforgettable memories and had great laughs during our time with Success Acres.

What the Equine Science Department would like to do as a thank you to Matt and Lisa for such amazing experiences over the years is to put together a scrapbook of photos, poems, stories, thank you notes, a list of "*You know you are a foal watcher when . . .*" and anything else that you would like to share. This is something that they will be able to look back on and cry, smile, laugh and enjoy for years to come.

If this is something that you would like to do, submit your memories to:

Jessica Hennig
5556 Shockton Ct.
Mason, OH 45040
or email Jessica.Hennig@otterbein.edu

Submissions should be mailed no later than August 1st. Please feel free to contact Jessica with any questions.

Sincerely,

Otterbein College Equine Science Department
