

150th Anniversary Celebration
for Otterbein Choirs

SAVE the DATE!

Come celebrate the 150th anniversary of Choirs at Otterbein during Homecoming weekend, October 17-18, 2008.

All alumni who sang in a choir during their time at the College are invited to participate. There will be a rehearsal and social event on Friday evening, October 17, and a gala concert on Saturday evening, October 18, allowing alumni choristers to also take full advantage of the many and varied Homecoming activities planned during the day on Saturday.

In 2008 these events will replace the Alumni Choir activities that occur annually during Alumni Weekend in June.

Full details will follow in the months to come, but save the dates on your calendar, and start warming up your beautiful voices now – it is truly an event not to be missed!
