VISIT THE C-SPAN CAMPAIGN BUS

Thursday,
September 15, 2016
11:00AM - 1:00PM

OTTERBEIN
UNIVERSITY

Campus Center Parking Lot

What is the C-SPAN Bus?

The C-SPAN Campaign 2016 Bus is an award-winning, interactive, multi-media learning center that brings C-SPAN's coverage of public affairs to communities nationwide and teaches the public how to follow *Washington Your Way*.

What's inside?

Interactive stations demonstrating how to access C-SPAN programming and online resources, follow Congress with C-SPAN's website, and use C-SPAN's online archive -- a resource featuring over 220,000 hours of C-SPAN programming.

This year, the university celebrated Constitution Day with a series of events to highlight the important of citizenship:

- C-SPAN BUS. On Thursday, September 15th, the Center for Community Engagement hosted the C-SPAN bus, an opportunity to learn more about how the media is engaged in the electoral process. Every participant was given a copy of the constitution as they off-boarded the bus.
- VOTER REGISTRATION. We also celebrated the constitution by hosting a voter registration campaign, run by our Raise Your Voice organization. We disseminated voter registration packets to all residential students that included instructions and voter registration cards. Students were then invited to join us at both the library and the campus center to learn more about the rights and responsibilities of voting. They dropped off their registrations AND joined us for photo shoots with presidential candidates.
- CITIZENSHIP TEST. On Friday, September 16th we hosted a constitution day table in the campus center where students could register to vote, spin the wheel to win constitution day prizes, and take a mock citizenship test to check their constitutional knowledge!

Below are some photos from the day.
