

### SURVEY OF GRADUATE ALUMNI 2009-2013

The Graduate Alumni Survey was conducted in the summer of 2013. The first sample included 107 alumni earning master’s degrees in the four prior academic years (2009,10,11,12). The second survey, of 2013 graduates, resulted in 60 responses.

Both survey results are presented in here.

Respondents reflected on their time and experiences at Otterbein and about their current careers.

Analysis of future surveys will be ongoing.

*If it weren't for my esteemed professors, I would never have advanced this far in my career. They made a significant impact in my life and I will always be indebted to all of them. The list of phenomenal women goes on but overall the Otterbein community is truly a special place that deserves recognition and praise. I would happily recruit students for Otterbein any day.*
