

Bon Appetit at Otterbein Food Program Fall 2012

Otter Bean Café

Introducing, "We Proudly Brew Starbucks Program". All Starbucks coffee drinks will be available including Latte's, Frappuccino's, Chai Tea, Brewed Coffee. We will continue to have a variety of house made pastries, Grab and Go Sandwiches and Salads, and of course, Schneider's donuts in the morning. Pricing is consistent with last year's program. Being a Proudly Brewed Program, we are not connected to Starbucks gift cards, but will look to offer a BA Otter Gift Card that can be purchased and loaded in the near future!

The Roost Express

Express is flowing! Grab and Go options are enhanced and weekly specials offered. Moving the cash register out into the hallway for all guests will allow for quicker services. We will be testing this for a couple of weeks to see how it works. Smarter layout to include starting with beverages, grabbing your own parfait, sandwich, salad and other Grab and Go items. Quick snacks and chips items are more convenient. No more waiting in the food line when you just want a bottle of water!

The Panini press and toaster continue to be available for those guests who want to grill their own sandwich or toast a bagel...and have the time to wait. House-made, hot breakfast sandwiches will be available daily as a Grab and Go option in the morning.

Crimson Cup coffee remains available at Express for all the Otter-flavored coffee fans.

The Cardinal's Nest

Great fresh and tasty food from Chef Martin and team. Cucina pizza and pasta, Otter Deli Artisan deli sandwiches, Global Exhibition dinners, Ohio Fresh and local, Tex-Mex, and Cardinal Grill with omelets and breakfast features at dinner! Offering an enhanced weekend program, to include Sushi station at Friday dinner!

1847 Private Dining Room

One of the biggest changes for faculty and staff will be in the 1847 Private Dining Room. Due to food waste and currently the number of patrons who go to the Nest for food, we will not have food available in the 1847 Room unless prearranged. Convenient meal choices are available through the Nest stations. Cucina, Artisan Deli, Ohio Fresh and Local, and Weekly Exhibition Stations are all available for you to hand select your meal. Don't forget to include the greens salad bar, house-made desserts and your choice of beverage. Linen tables, silverware and plates are available to you when you enter the 1847 Private Dining Room, along with coffee, tea and water.

We will return the hostess to the room to help facilitate your drinks and dish return. Please bear with us as we make these changes. Room reservations for small business meetings will remain the same ~ please call BA Catering at ext. 1879. We have developed a selective pre-set menu for your meeting. With 48 hours' notice we are able to accommodate your special requests. Your catered pre-set lunch will include: your choice of side salad and sandwich option, or entrée salad with house roll, and pre-set dessert, water and iced tea. Accommodations can be arranged for groups 2-15 in a semi-private environment of The 1847 Private Dining Room.

Reservations for groups over 15 people will be considered a catered event, and will be booked as a catered meal, with menu options and prices reflective to those needs.

The Otter Den

Look for new menus and options as we enter into spring term! We would love your ideas and suggestions as we make plans during the fall term! This is another option for lunch.
