The document titled "Summer 2017 REFUND SCHEDULE" outlines the tuition adjustment policy for the Summer Term. The schedule includes different terms with varying refund percentages and withdrawal deadlines. For example, the May Term (begins May 1) has refund percentages of 100% before May 5, 50% before May 12, and no refund after May 12. Similar policies apply to the Summer Term, which includes Full (14 weeks), TEN (10 weeks), 1ST (first 7 weeks), and 2ND (second 7 weeks) terms. Special notes are made for short term classes (X), where tuition and fees are not refundable after the first class meeting.
