- **CSCC Communications Bachelor Degree Transfer Major-** Students are required to complete four communications courses to earn this major: COMM 1105, COMM 2232, COMM 2201, and COMM 2268 (**COMM 2232 will substitute for COMM 1101 on the transfer major degree plan**). For questions about this program and to make the substitution for the COMM 1101 course, please see your Columbus State academic advisor.

- To graduate from Otterbein, students are required to complete 50% or more of their degree at Otterbein. Otterbein requires 120 credit hours to complete the bachelor's degree. Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course work meant to satisfy Otterbein's general education or INST requirement.
- **CSCC Degree Plan:** This 2+2 Sample Plan of Study was created with the assumption that students would complete the Communication Bachelor's Degree Transfer Major (new option starting with the 2018-2019 academic year) before transferring into the stated bachelor's degree. Completing the general Associate of Arts degree is also an option and this document can still be used for degree planning. If you have questions, contact a Columbus State Arts and Sciences Academic Advisor and an advisor at Otterbein University
- **\*COMM Departmental Elective:** Students may choose from COMM 3100: Advanced Public Speaking; COMM 3300: Teamwork; COMM: 3600 Rhetorical Theory and Criticism; COMM 3800: Organizational Communication; COMM 4100: Gender and Communication; and COMM 4800: Organizational Communication Case Studies for their COMM Department Electives for the Communication Studies major.
- Students must complete 8-9 hours of disciplinary skills development course work, including one course beyond college mathematics, one course in health and wellness (LFW course) and three courses from: language proficiency, oral and written communication, and experimental design/laboratory skills. Students may use their COMM 1000 (COMM 1105 at Columbus State) and COMM 2400 courses for part of this requirement. Students should consult with their Otterbein academic advisor for further options to complete this requirement at Otterbein
