- Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course work meant to satisfy Otterbein’s general education or INST requirement.

- **CSCC Degree Plan:** This 2+2 Sample Plan of Study was created with the assumption that students would complete the Associate of Arts Economics Bachelor's Degree Transfer Major (new option starting with the 2018-2019 academic year) before transferring into the stated bachelor's degree. Completing the general Associate of Arts degree is also an option and this document can still be used for degree planning. If you have questions, contact a Columbus State Arts and Sciences Academic Advisor and an advisor at Otterbein University.
- **\*\*Economics Major at Otterbein:** Students must complete ECON 2200 and 2201 at Columbus State to qualify for Otterbein economics course work. To complete the Economics major at Otterbein, students will complete 15 credit hours of elective courses in Economics and 6 credit hours of departmental electives that include upper division business related courses. Students interested in their choice of Economics major electives and/or departmental electives should contact an Otterbein advisor.
