Part-time Instructor—Physics—Algebra-Based Introductory Physics

Otterbein University seeks an Adjunct (part-time) Instructor in the Department of Physics to teach PHYS 1100: Introduction to Physics I during the Autumn 2019 Semester, which runs from August 26-December 13. The course meets on MWF from 10:20-11:15am. Some laboratory teaching for the course may also be available. Lab sections meet on Thursdays from 8-11am, 11:30-2:30pm, and 3-6pm.

We may also need someone to teach the follow-on course, PHYS 1200, in the Spring 2019 semester. Again, laboratory teaching may also be available.

M.A. and/or ABD in Physics and previous teaching experience required. Ph.Ds welcome to apply also.

Send all inquiries and a copy of your CV to Dr. Nathaniel Tagg, Chair of the Department of Physics, at ntagg@otterbein.edu.
