The following supplies and facilities will be made available to visiting teams while at Otterbein University:

1. Freeman Athletic Training Center: Located on the main level of the Clements Center, adjacent to the field house. Another facility is located in Memorial Stadium for football, lacrosse and track.
 - A. The athletic training room is available for treatments and taping 1.5 hours prior to contest. Visitors are expected to bring their own taping supplies. Taping service and additional training time for services can be arranged, ahead of time, upon request.
 - B. We request that you submit a "Request for taping" to verify your athletes are cleared for Participation. The request is page #3 of this document.
 - C. Therapeutic Modalities are available for use by a Certified/Licensed Athletic Trainer with a written prescription from an AT or Team Physician. Our athletic trainers cannot use electrical modalities on non-Otterbein athletes, but will make ice and heat available as needed.
2. Water, ice, and ice bags will be provided on your bench. No towels will be provided, except during treatment given in the athletic training room.
3. Acute care will be given as necessary. A medical contact from someone at your school is encouraged. All necessary emergency first aid supplies (backboard, splints, etc.) will be on hand at our contests.
4. A Team physician will be on-site at Football and Lacrosse, and on-call during other contests.
5. An ambulance will be on-site for all home Football games. Service will be provided by a local ambulance services. Westerville Fire will provide emergency transport in all other sports. Response time is less than 5 minutes.
6. The nearest hospital is Mt. Carmel St. Ann's Hospital, but any transportation will probably be to Riverside Hospital downtown. There is also an Emergency Room at OhioHealth Westerville Medical Campus. Phone numbers are provided on the next page.
