SUMMARY: Cares for horses under the guidelines of the Equine Science Department. Performs skilled tasks needed to maintain the facilities of the Austin E. Knowlton Center for Equine Science. Trains student workers engaged in similar activities involving the maintenance of the facility and the care of the horses as needed.

ABOUT OTTERBEIN UNIVERSITY: Historically progressive. That is the hallmark of Otterbein University and those connected to this private university nestled in the picturesque, historic Uptown Westerville district in central Ohio. Otterbein University was established in 1847, a set of deeply rooted values still guide this model community of leaders and learners. Otterbein has set the pace by providing an educational experience that is progressive, innovative and inclusive. Today Otterbein University enrolls 2,480 undergraduate students in more than 70 majors and 456 graduate students working toward one of six master's degrees or a doctor of nursing practice degree. Students come from towns throughout Ohio and represent 42 states and 11 countries, enriching the campus through their individual and collective diversity. Integrity, humane values and an inherently just, moral compass have guided Otterbein's forward-thinking vision and actions—from its curriculum to its responsibilities as a member of academic, regional and global communities.
