- **CSCC Associate of Arts (AA) Degree:** This 2+2 Sample Plan of Study was created using the general plan of study for the Associate of Arts degree. Students who are following a specific Bachelor's Degree Transfer Major may utilize

this plan for the purposes of transfer and degree planning, but should note that additional course work may be necessary to complete the Columbus State Associate of Arts/Science Bachelor's Degree Transfer Major beyond what is required by Bachelor of Science in Education, Major: Middle Childhood Education (Science/Social Studies) at Otterbein University. Additional course work may be transferred and applied as electives or where appropriate, course work toward the major/minor at Otterbein University.

- ****MATH 1146 or 1148:** Students must meet a set placement score to begin with MATH 1148. If students have questions regarding math credit transfer, please consult your Columbus State and Otterbein academic advisors.
- At Otterbein, at least 36 credit hours of coursework must be taken in Otterbein classes. Of these hours: at least 9 credit hours must be taken in each of a student's majors at the 3000 level or above, at least 5 credit hours (any level) must be taken in each minor, and at least one INST 2XXX thread course, INST 3XXX, and an SYE course must be taken at 2/2/2020 Otterbein. Otterbein requires 120 credit hours to complete the bachelor's degree with an overall GPA of 2.0 or higher.
- Students must complete 8-9 hours of disciplinary skills development course work beyond their college mathematics and health and wellness (LFW course) courses. Courses to reach 8-9 hours can be chosen from: language proficiency, oral and written communication, and experimental design/laboratory skills. BIO 1111 can be used to meet one of the disciplinary skills courses, but the credit must be entered manually. Students should consult with their Otterbein academic advisor about BIO 1111 and for further options to complete this requirement at Otterbein.
- Students must earn a C or higher in all prerequisite course work for the Middle Childhood Education major at Otterbein. Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course work meant to satisfy Otterbein's general education or INST requirement.
- **Admission to Teacher Education at Otterbein:** Beyond admission to Otterbein University, there are specific requirements to be admitted to the teacher education program as noted below. Applications are reviewed every term. Files are only complete after candidates have completed a field-based course (e.g., EDUC 2600/2555, 3850, 2000/2200, 3700, 3410). Candidate applications must be reviewed and approved prior to the candidate taking the field-based courses that immediately precede student teaching (e.g., 3420, 3705, 3200 or 3250). Applicants will be notified of the committee's action within two weeks of the decision. They may reapply if they do not qualify on the first application. Students need to contact the department for application deadlines:
