

HONORING OTTERBEIN'S CLASS OF 2020

Today's success › Tomorrow's greatness › The future's promise.

Congratulations again on your graduation from Otterbein. We are excited for you to join the Cardinal Alumni Community.

Diplomas:

Originally, the plan was for diplomas for Spring 2020 graduates to be mailed this week. Due to delays related to COVID-19, we have been informed by our external vendor that there is a delay in shipping. We do anticipate being able to mail your diploma in mid-June. Please know we are doing whatever we can to get them to you as soon as possible. **Diplomas will only be mailed to those who have officially completed their degree. Those with a pending status should expect their diploma to arrive 4-5 weeks after completing the remaining requirements.*

Commencement Ceremony:

We continue to be guided by the survey results, and we will hold an in-person ceremony. We do not want to publish a date and then have to change it because of mandates at the time. But know we have several different options, pending the guidelines from the state. As soon as we are able to share information, we will!
