

Student Log-in Resource Sheet

Hello Students,

Welcome back to campus and we hope you have a great year! As a reminder we have put the list of standard logins you may use throughout your time here at Otterbein. We have put the difference between your username and your email below as reference. Each login also contains the link to access that particular page. If you have any questions please email us at helpdesk@otterbein.edu

Username Example: Doe1

Email example: Doe1@otterbein.edu

My Password: Username and network password - <https://mypassword.otterbein.edu/>

This is where you will change your password if it is expired, unlock your account, or reset your password. If it is your first time using mypassword, it will have you enter in a cell phone number for text verification when changing your password.
