- At Otterbein, at least 36 credit hours of coursework must be taken in Otterbein classes. Of these hours: at least 9 credit hours must be taken in each of a student’s majors at the 3000 level or above, at least 5 credit hours (any level) must be taken in each minor, and at least one INST 2XXX thread course, INST 3XXX, and an SYE course must be taken at

Otterbein. Otterbein requires 120 credit hours to complete the bachelor's degree with an overall GPA of 2.0 or higher.

- **\*\*Art Major:** Students must complete two Studio Breadth electives, one ART or ARTH elective, and a concentration for this major. Concentration options include: Ceramics, Drawing, Graphic Design, Video Art, Painting, and Photography. Students choosing Painting will receive concentration credit for Columbus State Painting course(s) and will need additional Studio Breadth electives. Students with questions about concentrations and breadth options should consult with their Otterbein academic advisor. Students must earn a C or higher in all prerequisite and major course work for the Art Major (BA) at Otterbein. Classes denoted by the double asterisk are prerequisite/major courses for the Art Major (BA). Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course work meant to satisfy Otterbein's general education or INST requirement. Students must complete THREE Writing Intensive (WI) courses to graduate from Otterbein. Columbus State's Composition I course and Otterbein's ART 3000: Junior Seminar are two of the three WI courses needed for graduation on this plan. Students will have to complete a third at Otterbein and will confer with their Otterbein advisor as to choices available to meet the requirement.
- **CSCC Degree Plan:** This 2+2 Plan of Study was created with the assumption that students would complete the Associate of Arts Studio Art Bachelor's Degree Transfer Major before transferring into the stated bachelor's degree. Completing the general Associate of Arts degree is also an option and this document can still be used for degree planning. If you have questions, contact a Columbus State Arts and Sciences Academic Advisor and an advisor at Otterbein University.
