**NOTE:** You may choose more than one filter at a time

**Remove Filters**

If you're having trouble locating certain requests, events, or other information on your FMX calendar or in your FMX grids it could be because you have a filter selected that is hiding the information you're looking for.

You can see the filters that have been applied by looking underneath the Filter and Search bar:

Remove All Filters

To quickly remove all of the filters that are currently selected, click on the "x" attached to the filter button:

Another way to remove filters is to click on the "Filter" button and choose "Clear Filter" at the bottom of the page:

Remove a Single Filter

To remove filters one at a time, click on the "x" button next to the filter(s) you would like to remove:
Save Filters

To save your current filters for future use, click the button at the bottom that says "Save Filter":
