

“ I chose to study engineering at Otterbein because of the hands-on experience and individual instruction I knew I would receive at a small school. The Point also provides an incredible learning space and the faculty are very helpful.

”

— Maria Herron '21

IMMERSIVE EXPERIENCES

- Internship
- Research
- ENGR 4800 (System Engineering only)
- MENG 4800 (Mechanical Engineering only)

INTERNSHIP SITES

- Honda
- Nestle Waters
- Air Force One, Inc.
- DHL Supply Chain
- Continental Contitech
