

“ My most impactful experience during my time at Otterbein was my summer internship at an Ohio Senator’s office. This experience was instrumental to establishing a foundation for my career in public service. Otterbein staff at the career center helped me prepare for my interview and the rest became history. My internship opened up doors for my first job at the Ohio Statehouse which later led to working as an Immigration Caseworker for a member of Congress. These experiences were fundamental as I became a U.S. Diplomat at the U.S. Department of State. Through my current work, I’ve had the opportunity to travel the world and learn new languages!

”
