

“ The greatest value of an Otterbein degree is in the connections made with the real world. We work within a theatre that actually has the technology seen in regional theatres, Broadway, LA and Chicago. The value is in being able to walk in the door of your first job and starting three steps ahead of everyone else.

“ Otterbein really helped me focus my energy on my dance skills and movement quality, and shaped me into a well-rounded dancer. However, dance has always been my ‘comfort zone,’ and Otterbein helped shake me out of that. Teachers, like Melissa Lusher, did an amazing job at getting me to bring the energy and fearlessness I had when dancing, and apply it to my singing and acting. It’s been invaluable. ”
