- **CSCC Degree Plan:** This Sample Pathway Plan of Study was created with the assumption that students would complete the Associate of Arts Intervention Specialist Transfer Pathway before transferring into the stated bachelor's degree. Completing the general Associate of Arts degree is also an option and this document can still be used for degree planning. If you have questions, contact a Columbus State Arts and Sciences Academic Advisor and an advisor at Otterbein University.
- **MATH 1125 and 1126:** Students who complete MATH 1125 AND 1126 at Columbus State will be given credit for MATH 2100 and 2110 at Otterbein. If a student completes only one of the two courses, CSCC MATH 1125 will substitute for Otterbein MATH 2100 and CSCC MATH 1126 will substitute for Otterbein MATH 2110. Although not required for K-12 Intervention,

these mathematics courses allow for program flexibility when starting at Otterbein. If students have questions regarding math credit transfer, please consult your Columbus State and Otterbein academic advisors.

- At Otterbein, at least 36 credit hours of coursework must be taken in Otterbein classes. Of these hours: at least 9 credit hours must be taken in each of a student's majors at the 3000 level or above, at least 5 credit hours (any level) must be taken in each minor, and at least one INST 2XXX thread course, INST 3XXX, and an SYE course must be taken at Otterbein. Otterbein requires 120 credit hours to complete the bachelor's degree with an overall GPA of 2.0 or higher.
- Students must complete 8-9 hours of disciplinary skills development course work beyond their college mathematics and health and wellness (LFW course) courses. Courses to reach 8-9 hours can be chosen from: language proficiency, oral and written communication, and experimental design/laboratory skills. Students may use their COMM 1000 (COMM 1105 at Columbus State) for part of this requirement. Students should consult with their Otterbein academic advisor for further options to complete this requirement at Otterbein.
- Students must earn a C or higher in all prerequisite course work for the Primary Education (PK-5) major at Otterbein. Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course work meant to satisfy Otterbein's general education or INST requirement.
- **Admission to Teacher Education at Otterbein:** Beyond admission to Otterbein University, there are specific requirements to be admitted to the teacher education program as noted below. Applications are reviewed every term. Files are only complete after candidates have completed a field-based course (e.g., EDUC 2600/2555, 3850, 2000/2200, 3700, 3410). Candidate applications must be reviewed and approved prior to the candidate taking the field-based courses that immediately precede student teaching (e.g., 3420, 3705, 3200 or 3250). Applicants will be notified of the committee's action within two weeks of the decision. They may reapply if they do not qualify on the first application. Students need to contact the department for application deadlines:
 - 2.5 overall GPA for courses that appear on the Otterbein transcript
 - Passing standardized test scores in mathematics and reading are required. Test options and required scores are listed in the table below. Scores must be sent to the Education Department at Otterbein University. Students who fail the same Praxis Core Academic Skills for Educators test three times are no longer eligible for program admission.

Test Taken	ACT Math	SAT Math	Praxis Core Math	Accuplacer Next-Generation Quantitative Reasoning, Algebra, & Statistics (QAS)	ACT Reading	SAT Reading	Praxis Core Reading	Accuplacer Next-Generation Reading
Score Needed	17	430	141	246	17	420	159	256

- Post-evaluation 2.5 overall GPA from all institutions and Post-evaluation 2.75 GPA in teaching content area(s)
- AYA and Multiage candidates must complete a minimum of 9 semester hours in their teaching area. Middle Childhood candidates must complete at least 9 semester hours in their teaching areas; at least one course in one of the concentration areas is part of the 9 hours.
- Positive recommendations from persons listed below. These recommendations provide evidence of effective interpersonal relations, motivation, critical dispositions, and content knowledge for the field of teaching:
 - an instructor of a field-based course as indicated above and/or the supervisor and the cooperating teacher of said field experience
 - A member of the Otterbein faculty or staff who can assess the student's critical dispositions. [Please use the Department recommendation form, which is the responsibility of the student to get, give to the individual who is writing the recommendation, and return or make sure the form is returned to the Education Department.]
 - The chairperson of the teaching area department (for AYA or Multi-Age)
- Transfer (and post-baccalaureate) students who have completed at least 75% of their content area requirements with a content GPA of 2.75 or higher do not need approval of the content area department and may apply for admission prior to completing 9 content areas at Otterbein
- Proficiency in written and oral communication as evidenced by performance in equivalent course work- a "C" or higher in ENGL 1100, EDUC 2210, and PSY 2200 at CSCC. Students must also earn field ratings of 3 or higher.
- At the discretion of the Teacher Education Committee, data collected and reported in all college-level courses; and dispositions in courses, field experiences, and on-campus interactions with university faculty, staff, and students may also be considered in the decision to admit a student to teacher education. Reports of academic misconduct, counseling reports, or other informal documentation (e.g., email from a supervisor) that suggests low level performance in courses and schools will be considered with the other documentation. This list is not inclusive.

Specific questions from students regarding admission to Teacher Education at Otterbein should be directed to the Otterbein University Education Department directly at 614-823-1214.

Suggested Courses to Complete for Otterbein's General Education Requirements and Requirements for the Associate of Arts Degree at Columbus State
