- At Otterbein, at least 36 credit hours of coursework must be taken in Otterbein classes. Of these hours: at least 9 credit hours must be taken in each of a student’s majors at the 3000 level or above, at least 5 credit hours (any level) must be taken in each minor, and at least one INST 2XXX thread course, INST 3XXX, and an SYE course must be taken at Otterbein. Otterbein requires 120 credit hours to complete the bachelor’s degree with an overall GPA of 2.0 or higher.
- **\*\*Students must earn a C or higher in all prerequisite and major course work for the History Major (BA) and related education content courses at Otterbein.** Classes denoted by the double asterisk are prerequisite/major courses for the History (BA). Students are encouraged to meet with an Otterbein advisor regarding their major course work and general education course

work meant to satisfy Otterbein's general education or INST requirement. Students must complete THREE Writing Intensive (WI) courses to graduate from Otterbein. Columbus State's Composition I and Intermediate Composition courses count as two of three writing intensive courses needed for graduation on this plan. Students will have to complete one additional WI courses at Otterbein and will confer with their Otterbein advisor as to choices available to meet the requirement.

- **CSCC Degree Plan:** This Sample Graduation Plan was created with the assumption that students would complete the AA History Transfer Pathway before transferring into the stated bachelor's degree. Completing the general Associate of Arts degree is also an option and this document can still be used for degree planning. If you have questions, contact a Columbus State Arts and Sciences Academic Advisor and an advisor at Otterbein University.
- **+Teacher Licensure Coursework:** Students NOT planning to pursue Integrated Social Studies teacher licensure at Otterbein may choose other course options at CSCC to complete their associate degree. There is a pathway document for non-teacher licensure students. Otterbein coursework would also need adjusted if the student is NOT planning to pursue teacher licensure. Consult with an advisor for appropriate replacement courses to ensure degree requirements are met.
- **Admission to Teacher Education at Otterbein:** Beyond admission to Otterbein University, there are specific requirements to be admitted to the teacher education program as noted below. Applications are reviewed every term. Files are only complete after candidates have completed a field-based course (e.g., EDUC 2600/2555, 3850, 2000/2200, 3700, 3410). Candidate applications must be reviewed and approved prior to the candidate taking the field-based courses that immediately precede student teaching (e.g., 3420, 3705, 3200 or 3250). Applicants will be notified of the committee's action within two weeks of the decision. They may reapply if they do not qualify on the first application. Students need to contact the department for application deadlines:
  - 2.5 overall GPA for courses that appear on the Otterbein transcript
  - Passing standardized test scores in mathematics, reading, and writing are required. Test options and required scores are listed in the table below.
